7. Comments

- 7.1. I note that the UK registered trade mark No. 4367271 upon which the Complainant relies to establish Rights is effective only as of March 31, 2026, which postdates registration of the Domain Name on February 10, 2026. However, whatever may have been the position at the time of registration of the Domain Name, I am satisfied that there has been use of the Domain Name whilst the trade mark was in force in a manner which on its face appears to take unfair advantage of and/or to be unfairly detrimental to the Complainant's Rights. Absent satisfactory explanation from the Respondent, the Complaint therefore meets the test of Abusive Registration under section 1(ii) of the DRS Policy. The Respondent has not sought to explain its position, for example by relying on any of the factors in section 8.1 of the DRS Policy or otherwise seeking to persuade me that the activity at the Domain Name is legitimate. In the circumstances, I find in favour of the Complainant.

8. Decision

- 8.1. I direct that the Domain Name <dramatv.co.uk> be transferred to the Complainant.
